

I understand by signing below I am agreeing that it is my responsibility to spay or neuter my adopted Dog/Puppy or Cat/Kitten if not already altered.

I understand that the an adult dog or cat need to be spayed or neutered within 90 days of adoption . Puppies and kittens needs to be spayed or neutered within 6 months of adoption to receive my of \$50.00 deposit and that the adoption date is stated on the Adoption contract I receive on the day of my pet adoption.

I understand that the time frame above can be extended if documented by a veterinarian and the document is received by LLLFR before the 90 days for adults or 6 months for puppies or kittens explaining why the spaying or neutering needs to be done at a later date.

I understand that in order to receive the deposit back I will need to provide LLLFR with a copy of the dated Spaying/Neuter Certificate or a dated invoice within the time frame as stated above.

I also understand that if I fail to meet the above requirements I forfeit the \$50.00 spay/neuter deposit.

I understand that by spaying/neutering my pet I will not be adding to the over population and doing my part in some day having a world with "NO MORE HOMELESS ANIMALS".
